Contributions are not deductible for income tax purposes. Contributions to RPAC are voluntary and are used for political purposes. You may refuse to contribute without reprisal and the National Association of REALTORS or any of its state associations or local boards will not favor or disavow any member because of the amount contributed. 70% of each contribution is used by your state PAC to support state and local political candidates. Until your state reaches its RPAC goal, 30% is sent to National RPAC to support federal candidates and is charged against your limits under 2 U.S. C 411a; after the state PAC reaches its ROAC goal it may elect to retain your entire contribution for use in supporting state and local candidates.
